TIMES I HAVE CHEATED -- 3

When you're a bit of a nympho, just one man isn't enough. Even if it's your husband. So I tried to stay faithful, even took a vibe to bed every night, but even that didn't satisfy me. I didn't plan to do it, but after I did; I did it again, and again, and again.

They say that 40 is the new 30. I really don't care. Do you? Look at me. A year ago I was selling cheese in Wisconsin with a hairy bush and a minivan. Now, I'm an all new person ready to take on the world. Say that you're ready for me and more like me?

HAVE I EVER CHEATED -- KIND OF

TIMES I THOUGHT ABOUT IT -- 1

GUYS I'VE CHEATED WITH -- 1

DID YOU LIKE IT? -- IT WAS OK

No woman wants to admit that she's cheating on her husband. We have an open relationship with some problems, so we discussed cheating and decided to do a three-way instead. He invited a friend who lived far away to minimize the possibility of cheating later. The tree of us got together one Saturday afternoon and I wore some sexy red lingerie. I have to admit that I was a different experience fucking two large cocks at once.

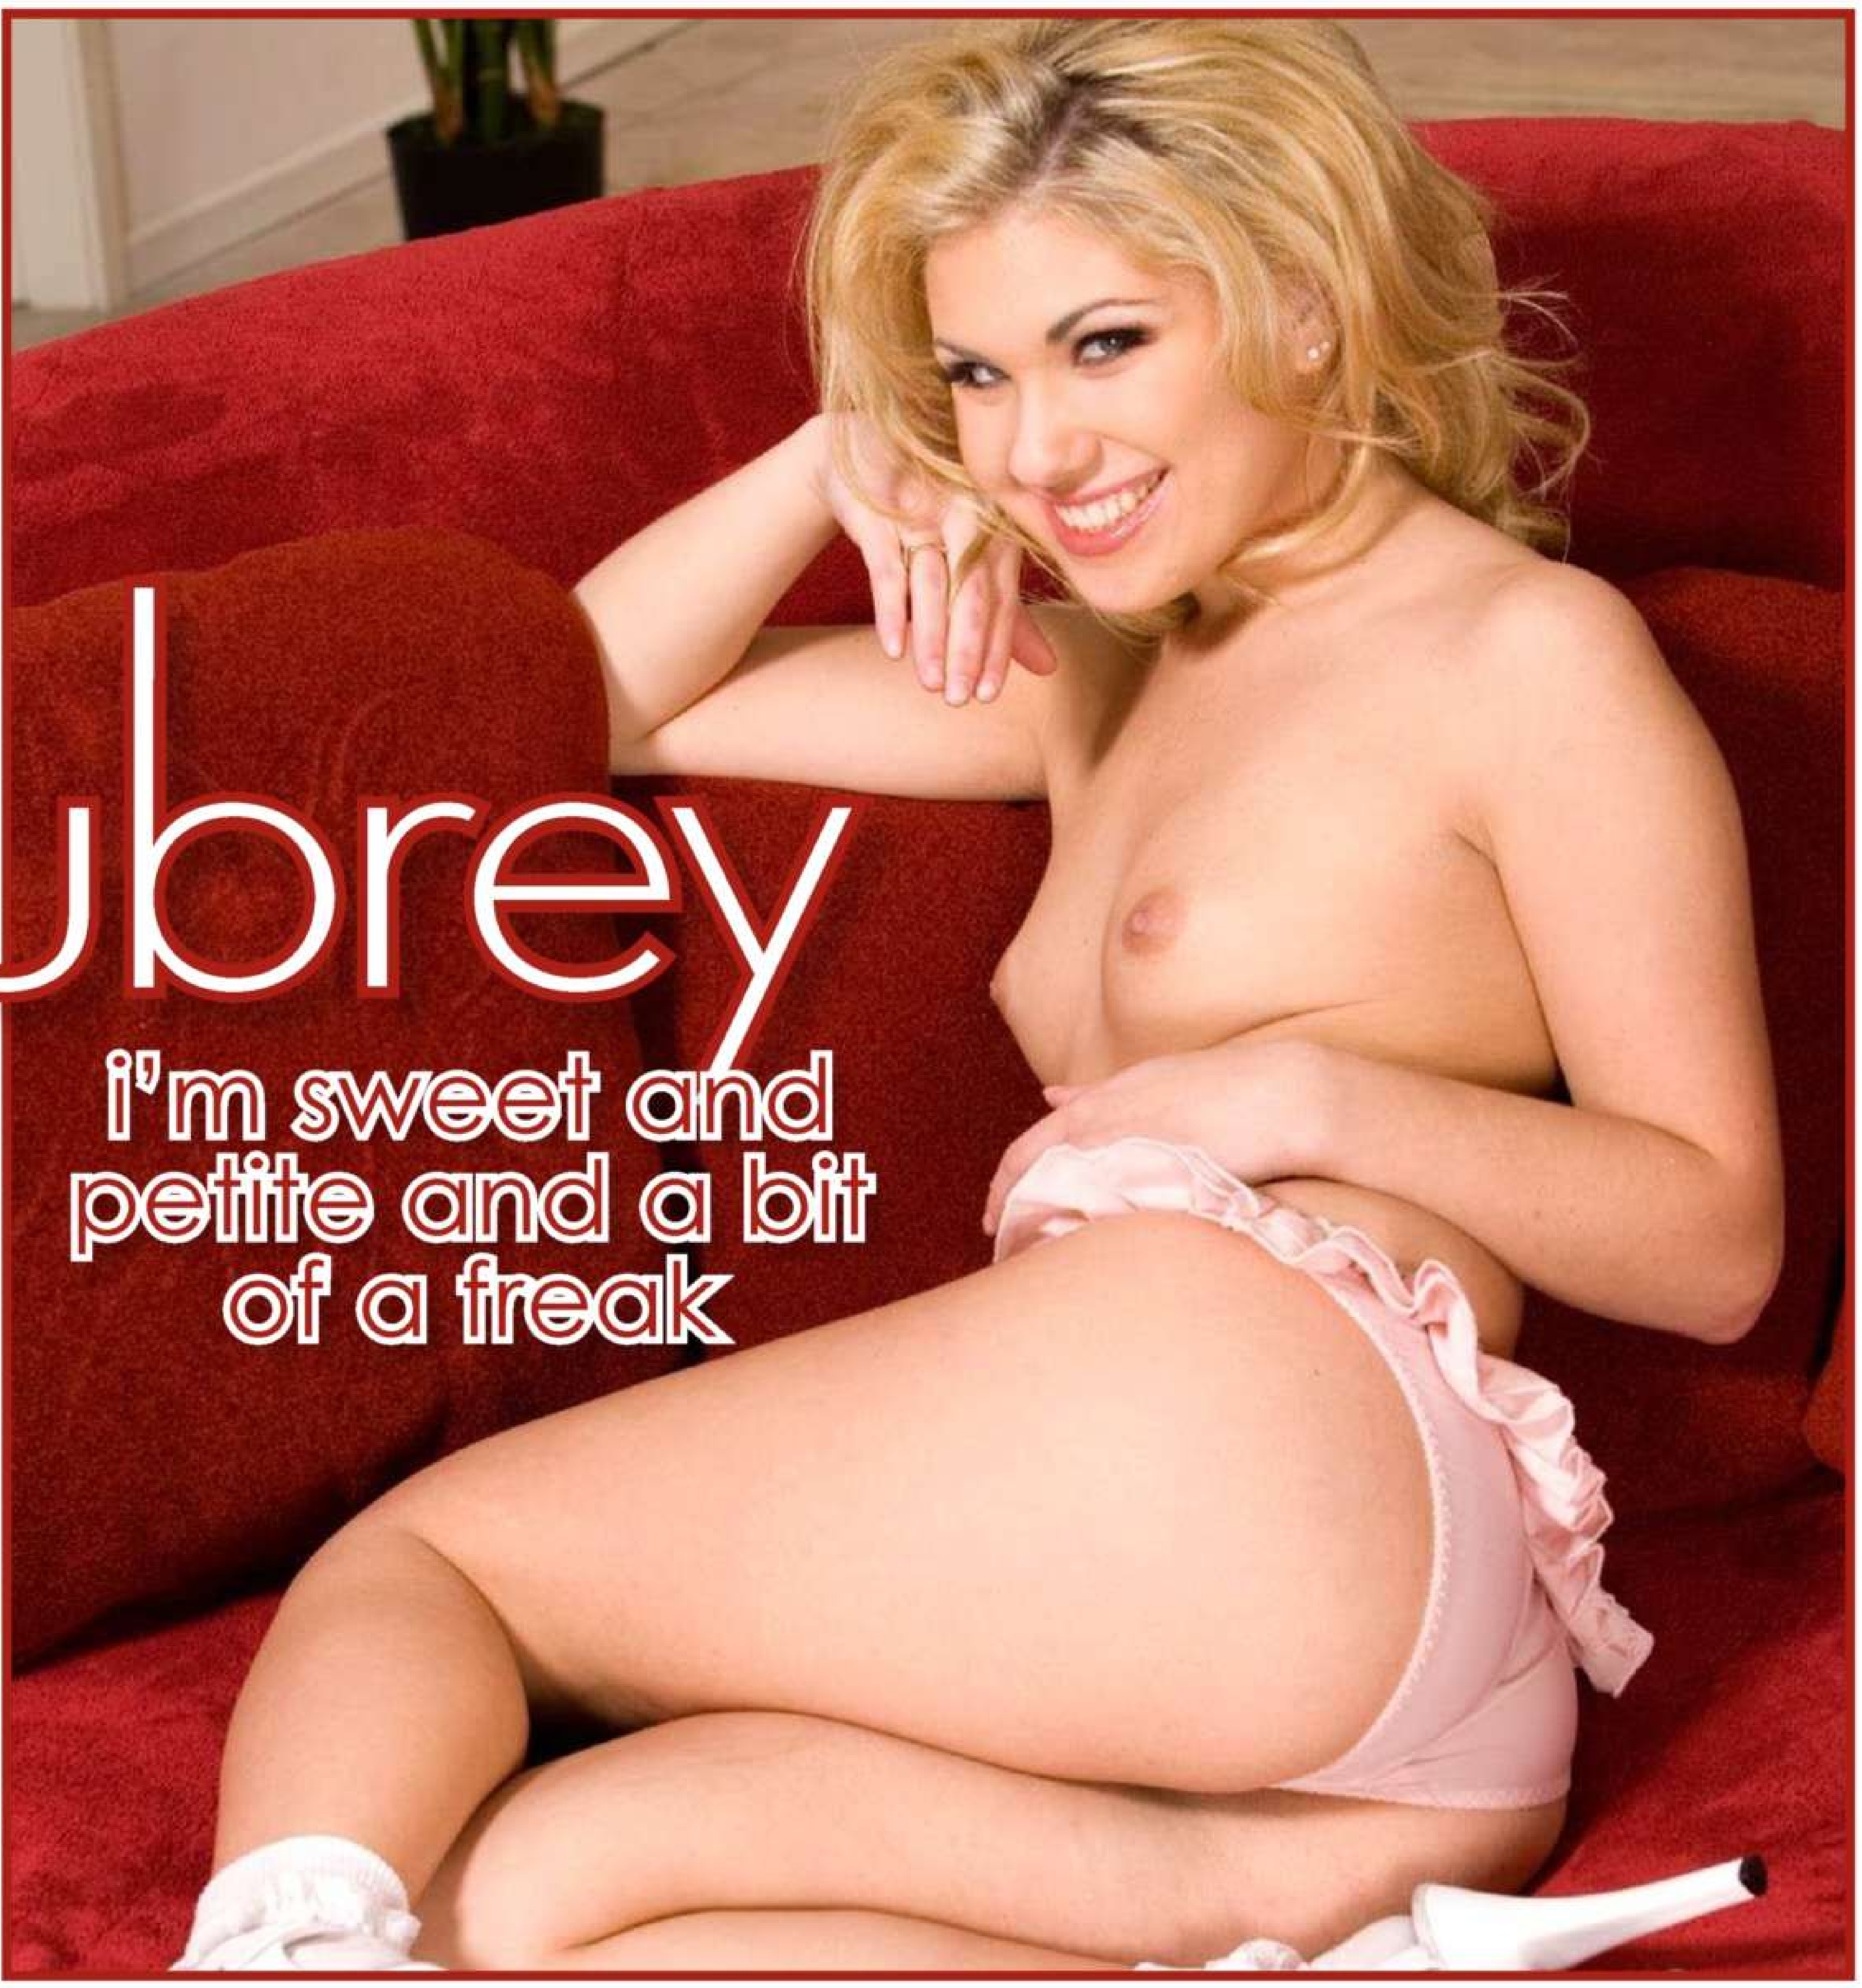
i'm sweet and petite and a bit of a freak



I got married young and only dated my now-husband right out of high school. That never really gave me a chance to try different men and I didn't realize that until I was a couple years into my marriage. My best girlfriend was single and played around a lot. she would tell me stories of having sex with different guys and all I could say was I've only had one. She set me up with a guy I said I liked and we did it. It was fantastic. He had a bigger cock and fucked different. I liked it and will see him again.

I'm on my second marriage at only twenty-five years old. The first one ended because my idiot husband cheated on me within the first six months of married. Then I did it for revenge. We split and I found a guy who I thought would be true. Not true. He cheated too, and now I'm going to get even with his ass. If you're available, let me know.

CHEAT-O-METER

GUYS I'VE CHEATED WITH -- 2

TIMES I THOUGHT ABOUT IT -- 3

TIMES THAT I'VE CHEATED -- 3

WOULD I CHEAT AGAIN -- YEA

If you want me to talk about cheating, I have to go back to the days before I got in the business. I came from a conservative Asian family and was quite geeky through high school and college. I married this guy who was a friend of our family and for a while it was okay. But then, prediactably, things got boring real fast. And I blossomed as a lady and wanted more out of life, and out of sex. Then, I met another guy and the rest is history.

is it cheatng if I use a dildo?

CHEAT-O-METER

DO YOU CHEAT OFTEN -- NO

DID YOU LIKE CHEATING -- NO

WOULD YOU DO IT AGAIN -- NO

DID YOU CHEAT TONIGHT -- YES

My husband and I would get into these long debates as to what cheating actually meant. Does it have to involve intercourse? Is a hand job or blow job cheating. If so, is one worse than the other. How about only kissing? We couldn't come to an agreement. So I decided to pretend a dildo was a cock and see how I felt.

chelsea saves our marriage

She heads off to the bathroom and returns a few minutes later in a sweet turquoise blue bra and panty. They are a perfect match for her long blonde hair and blue eyes.

It's early Friday night and it's pouring rain out there. Lightning breaks the darkness and thunder shakes the house. I'm looking out at the street standing at the window fingering my cell phone. It's nine pm and she's an hour late. I don't want to call and seem anxious, yet I'm concerned that something may have happened in this weather. I decide I have to know if she's okay. I'm scrolling through my 'Contacts' when there's a knock at the door. I put the phone down and go over, looking through the peephole. It's her. I open the door and she's standing there, dripping wet, even though she had an umbrella. "Hi, are you okay? I was more than a little worried." I say as I motion her to come in. "Oh it's the rain. It was raining a lot harder where I was than it is here." she replies as she walks past me and into the house.

I watch her walk in as she hands me the umbrella and I close the door. My heartbeat is increasing quickly. Chelsea looks incredible. She stops at the edge of the living room and takes off her wet shoes. Looking back at me she says, "I'm going to go get out of these wet clothes, okay?" She heads off to the bathroom and returns a few minutes later in a sweet turquoise blue bra and panty. They are a perfect match for her long blonde hair and blue eyes. Her figure is sublime. Tanned, five foot eight and quite toned. She told me she's at the gym three times a week, something I don't have a chance to do.

We're waiting for her in the living room. She walks in like a Nordic goddess and I can't believe we're about to do this. Darren stands when she enters. "Hi Chelsea. You look beautiful tonight." She thanks him as he hands her a drink. She looks past him at me downing my glass of wine. "I like your outfit." she says. I thank her and told her I got it just for tonight. I'm in a pink cami and g-string set. It's low-cut front accents my ample cleavage and makes my boobs look great. I'm just an inch or two shorter than her but the couple extra pounds I have on look good on me. They make my boobs and butt look really good.

Then Darren follows her over to the sofa as she sits next to me on my left and he sits on my right. Darren takes both of our glasses and puts them on the coffee table. We make some very small and very short small talk before she starts to kiss my neck, working her way up to my ear and cheek her kiss is soft and my skin tingles. I feel her hand on my leg slowly going up my thigh but she stops short of my pussy and then her hand goes back down towards my knee. I can already feel my pussy juices begin to flow and it isn't long before my panties are soaked through. I refocus to a warm wet mouth on my breast, gently biting my nipple. I give a slight moan. I feel a hand, soft on my cheek.

Chelsea turns my face to hers and begins a kiss. She looks at me, mouth open, tongue appearing at the opening. She moves her head closer, her tongue darts into my mouth. She kisses me hard, caressing my face, sucking my tongue. Instinctively, my hand goes to the bulge in my husband's jeans. He is shirtless and shoeless, and he told me before, boxerless. Darren unzips his fly and pulls out his cock. He places my hand back. He turns me to face Chelsea and starts to stroke my ass, his hand goes under my panties and I feel him brush my asshole with his finger. I lift my left leg putting my foot on the edge of the table to make it a little easier for him. Chelsea's

Chelsea starts to take more and more into her mouth, she gags but this doesn't stop her.

hand finally slips into my panties and she immediately finds my clit and begins to rub and pinch the lips around it with her tongue still in my mouth. As soon as she touches me, my tongue pushes back and our faces press closer. I have been caressing her butt and thighs, but with that my hand pushes her legs more open and finds Chelsea's wet pussy. I move her panties to one side and stroke her clit, rubbing hard until I realized how hard I was rubbing then eased up as she moaned loudly with our mouths still pressed tight. We can feel the vibration of each other moans. With two sets of fingers touching and stroking my pussy and asshole, I feel the orgasm start to build. The intensity is overwhelming. I hear heavy breathing, it turns to load moans. It's me.

Chelsea pulls my panties past my hips and puts a finger into my hot pussy. She finds the right spot and works it around inside. I feel a second finger go in, then a third filling me even more. Suddenly, I feel my asscheeks widen and his fingers that had been massaging me now enter my butt and I'm aware that both my holes are filled at the same time. Never before. I moan even louder, breaking my mouth away from hers as she increases the speed and pressure she is using. After a few moments my orgasm hits, wave upon wave of pleasure. My body spasms, bucking, twisting, I have no control. Slowly it passes, my breathing heavy and eyes closed. I still feel everyone's fingers inside me but with more gentleness now.

Chelsea looks at me, a slight smile on her luscious lips. She stands up from the sofa and pulls her panties off. She sits back down and raises her legs in the air. She starts rubbing her clit with her hand, sticking her fingers in and out. I get off the sofa and position myself in between her velvet thighs. My tongue follows sweat trails up her thighs licking her white skin as it goes along. I move closer to her pussy and then reach her inner lips and lick with long strokes which end at her little button. Her hands move to the back of my head and she pulls me closer. "Kiss me there." she says in hot anticipation.

My tongue enters her, I can smell womanly scent. She moans loud as one hand grabs hold of my hair and tries to pull my head closer almost rubbing my face in her clit. Her other hand goes down to her pubic hair, fingers either side of her clit, she pulls the small hood away exposing her bud of pleasure for me to devour. I take her clit into my mouth gently sucking it, my tongue firmly licks it. I sense it get harder as my tongue work all around. My mouth is gently biting and my lips are pulling at her labia. My face is buried between her thighs as I feel Darren come behind me, my ass is exposed and he kneels behind it. I feel his lips and tongue around my asshole, his fingers rubbing my clit.

I feel his finger enter my anus once again, then a second one enters as he pushed them deeper into me. I start to rock back and forth taking his fingers deeper. He pushes them in and out of me as he hears my rhythm licking her sweetness. He spreads my tender cheeks wide. I feel engorged head of his stiff cock pushing at the tight entrance. He slowly pushes it's whole length into me. He holds my hips tightly as he thrusts firmly into my butthole. I feel him bend down and his large hand envelope my hanging breasts. I notice the relief from gravity and I push my hips back into him as if to say thanks. With each thrust he pushes my tongue deeper into pussy. It's Chelsea's turn to start to loose control as I feel her orgasm hit with a sudden wetness on my face as she ejaculates her warm pussy juices. This turns me on more and I lick her clean as she comes back down from the intense pleasure.

She slides down onto the floor and finds my mouth kissing me and licking my mouth and lips. Her hands find my breasts and pushed his away so she twists my nipples. The pain increases my orgasm which is now reaching its peak. His cock is in my ass and his balls slapping my cunt. He increases the speed, the feeling is now wonderful not painful and my orgasm seems to last hours. My sphincter closes tight around him and I feel his cock tense up even

more. He's going to shoot. He pulls his cock out and I quickly turn around. Mouth open waiting for his juice to enter. I grab it and roughly stroke it to be sure he finishes. He misses my mouth and so the cum splays all over my lips and face. I take his cock in my mouth swallowing it deep until the whole thing hits the back of my throat. I suck it clean. Chelsea moves around and starts to lick the cum off my face. She cleans me completely. I pull myself up and start running my hands over his strong wet chest.

Chelsea's gets up onto her knees and takes his cock in her hand and starts pulling it into her mouth. Later I would learn the first time any part of a man has ever entered her. She starts with the head slowly licking and sucking. I can see he's enjoying it, eyes close oblivious to me. Chelsea starts to take more and more into her mouth, she gags but this doesn't stop her. His cock disappears down her throat. Chelsea stands up and then lays herself down on the sofa. She lays on her side and pulls Darren over so she can continue with his cock. He kneels down so Chelsea can continue to suck his cock. I push him down gently at the shoulder and he grabs the top of the sofa hovering over her as she works his cock and bent perfectly so I can lick his asshole and balls. I nuzzle in and his musk intoxicates me as my tongue flicks his hole. I lick the entrance and then I wet one of my fingers and push in to the first knuckle and wiggle it around; then I put in a second then a third. I hear him moan as I increase the speed, thrusting the in deeper, backwards and forwards. I know now that it won't be long before he'll explode.

It drips down her crack onto my face. My tongue reaches out for it before it drips into my mouth.

His cock increases it's thrusting in and out of Chelsea's mouth. I feel my fingers excite his prostate. His body shakes, he holds Chelsea's head and fucks her mouth. She is not used to this and gags several times but continues to suck as his intense orgasm seems to continue for ever. Chelsea takes all of his semen just as I did the other night. Not a drop escapes her. I remove my fingers from his ass with a loud suction sound. He shudders and rolls over to the empty sofa cushions and lays back closing his eyes and breathing heavy. When opens his eyes, he sees Chelsea and me are sixty-nining.

I'm on the sofa cushions and she's on top with her ass in the air. She is an expert with her tongue with years of licking pussy, hitting all the right spots and soon she's got me screaming. She flicks my clit with her tongue and nibbles it with her teeth. My fingers find their way deep into her pussy. She begins to rock back in approval. Darren gets up and stands behind Chelsea. He's gotten hard again watching me finger fuck her and hearing our moans. He kneels behind her, his balls dangling above my face. The tip of his penis strokes Chelsea's pussy lips. I take his stiff rod and guide it into her hole as I spread her pussy lips.

I feel Chelsea's body tense up as he pushes in. To my surprise she pushes back and take his entire length in one go. I poke my tongue out and try to lick his balls as he thrusts. He holds his cock and removes it from her pussy and targets my mouth. I taste her juices all over his dick, I suck it hard for moment when he sticks it back in her for a few more thrusts. He thrusts it into me then into Chelsea repeatedly. Chelsea has obviously gotten comfortable with a cock inside her and has started to lick my clit again. I sense we all feel the same groove as our bodies move back and forth in sync. I cum first as Chelsea hits all the right spots at the right time. Chelsea's next with her climax, burying her face deep into my crotch to muffle her screams. Darren pounds her from the back with three deep thrusts but manages to pull himself out and sprays on her shiny, sweaty ass. It drips down her crack onto my face. My tongue reaches out for it before it drips into my mouth.

I love my husband but things had become stale and I wanted to cheat. I got up the courage to talk about it with him and we discussed several ways to help save our marriage. I think it was a good solution. Don't you?

cassie

sometimes my hands are not enough

My breasts, mouth and pussy are perfectly designed fucking tools. They're meant to be used to attract and seduce a man. Or in my case, many men. And I don't let my mate stand in the way. I think by the time you're twenty or so, you're going to know a lot about your own sexual appetite, but to get that information to stay in the brain after you become monogamous is a diffcult part of life. I like sex and I'm going to have it with whomever I like, because I can!

I wasn't planning to cheat the first time that I did. I was at a basketball game with my BFF and she was dating one of the players. That alone should have told me about their lifestyle. I went with her to his room after the game. His friend was there. I bet you can guess what happened next?

I know my name means sweet, but I can be very nasty, too. And that's something my ex couldn't take. Now who would thing that a man would not like whatever his wife would do for him sexually. I wanted my ass fucked and he didn't want to do it, not even with his fingers. I wanted to lick his ass, but he didn't want that either. Well, I could only take 'NO' for so long before I went out and found me some real men that wanted me to do it!

how to keep him from cheating

by Justine Foreman

Ladies, the main cause of infidelity is not paying enough attention to your man. There are ways to keep him faithful when thoughts of straying get into both of his heads.

Why do our men cheat on us? That's a very difficult question to answer. There could be many reasons, but most probably the number one answer is lack of good sex. No matter how you phrase it, men want sex and, from my experience, they don't care who they have it with as long as they get it. And the one sex act that men like the most is a blow job. There is very little for them to do except sit back and let the woman do all the work. So, I don't believe that the 'other woman' is a better lover than me. I think she's willing to do what his wife probably won't do or has stopped doing.

You can keep your man by just sucking his dick. How much more blunt can I be. No matter how long you've been married or how often you have intercourse, a blow job keeps him satisfied and keeps him home. Think about it: if your husband knows that he's going to get head several times, or even a few times a week, and it's from a ready and willing source, his wife, why would he spend energy to go find it elsewhere when it's right there in front of him. He won't. He'll look forward to it from you. The only thing you have to do is keep it fresh. Don't do the same thing every time. Vary the place and duration. Add a new twist every now and then. Make the blow job the total act of sex, then let him relax. I don't believe any man will work at getting sex if it's readily available to him. Remember, the act can be accomplished in less than a half hour, usually less, Now that isn't much time to spend to save your marriage. You spend more time getting your nails done.

But how do you keep it fresh? How can you make it an event he'll look forward to? The simplest answer is to think about it and formulate a plan. You know his schedule. Analyze the best time. After he comes home form work, in the middle of the night, driving across town, in the backyard, in the kitchen, at some public place. The possibilities are endless. But I have found that after a good dinner and you two are sitting back, pop in a porn movie, or a sexy movie if you're not into porn, and be sure he's comfortable.

I'm not a housewife, I'm a working woman and yet I know how important it is to find time for him, for this. Keep in mind, just as pure entertainment: it doesn't cost anything, it can last from fifteen minutes to hours, you control that. Some times it will lead

to intercourse, but most likely, he'll cum and you're done. And above all it's fun.

One of the most important aspects of the blow job is his anticipation. If you're doing it regularly, he'll want it more and more. He'll be hot and ready if he knows he going to get some. He'll rush home from work. He'll keep his body and his privates clean. He'll probably 'reward' you in some manner, with gifts perhaps. But there is one thing you should do for yourself before you start a blow job regiment: decide if your going to spit, swallow or take it on your body. Most guys will want you to swallow and it's really not that bad, but if you're uncomfortable with that, work it out with him. If you're going to be sucking you're husband's cock then surely you should be able to work that out. It makes for a nice, comfortable conclusion to the act that you're both okay with.

Now I'm going to describe a scenario with my husband. Personally, we were on the verge of a divorce and sex had quite a bit to do with it. Without getting into details, the solution we came up with, talking to each other as adults, because that's what we are, was to have more oral sex. For both of us. The biggest reason in our discussion was that it was quick and usually fulfilling. Women can cum several times rather easily. A man, especially if he's older, is usually only good for one climax. We were also both working people and out time was taken up by work or sleep. We were often too tired for full blown sex sessions, but hand jobs and blow jobs can be done rather easily and/or quickly. Please don't misunderstand, I'm not saying this should replace intercourse or sex, but if your relationship is falling apart or he's thinking of cheating, this may be the answer.

We had finished Chinese take-out for dinner after another busy day for the both of us. We were three weeks into trying to avoid a separation and it's been getting easier and easier to give my husband oral sex. We've increased the frequency to every other day for him and every few days for me as time allows and the mood hits. We ate in the living room watching the evening news. I took the empty take-out boxes to the kitchen and told him to go freshen up.

When I got back, he was already on the sofa waiting for me. The TV show had changed to something loud and I took the remote and turned it down a little. I didn't mind if he watched TV while I was blowing him. I sat next to him and laid my head on his shoulder with his arm outstretched on the top sofa cushions. This is the perfect position to start with. You can kiss,,

Dear *Cheating Housewives* magazine:

I was at the newsstand the last wek looking for something new to jerk off to. I saw many of the same old titles with the same porn stars on their covers. Then I saw *Cheating Housewives* with a bright yellow banner across the top telling me there were five XXX movies inside. I bought the issue and there were not five free XXX movies inside. The ladies were great in the pix, but I looked and looked for the vids. No DVD, nothing, I thought. I started getting pissed until I read the inside covers and the little colored banners in the layouts. Ah, pincodes!

I chilled for a minute and pulled out my laptop. I went to the website and entered one of the codes I found. Bingo, there were the movies, and lots of them. The mag said five movies but the *Cheating Housewives* link had nine scenes! That makes almost two movies in one. What a great idea, I thought after I had rubbed my cock silly between watching the vids and looking at the pix in the mag.

The premiere issue of *Cheating Housewives* was a real page turner offering advice on and for cheaters as well as a steaming baker's dozen of sexxxy housewives bent on getting a good fuck at any price.

you can rub his chest, buttons and zippers are easy to get at, and you're not in the way of the TV.

I started by was just running my hand up and down his leg, not too long, just enough to build anticipation. I'd occasionally touch his cock through his pants until I sensed he was hardening. That's when I knew that his pants had to come off. Men do not like their hard cock confined inside pants, or even underwear. He unzipped his pants, allowing his hard cock to release into my hand. His eyes closed and I reached down to pull his pants lower. I paused for a moment, I stroked him gently, occasionally squeezing tighter, sometimes faster. Mostly I just worked slowly. Up and down, turning my hand, enjoying the feeling of his hard cock in my hand. I unbuttoned his shirt with my free hand and found his nipple for a good pinch, I felt him tense slightly at this, another good sign.

I moved my head lower over his lap. I puckered my lips, kissing the head of his cock a few times before licking my lips and engulfing it. I rolled my tongue around the head for several minutes, releasing my lips and then resucking with them. I then started licking up and down the underside of his cock, looking up at him. When I sensed the right moment, I got up, stood in front of him and stripped myself naked as he watched. Of course my pussy was wet and I stuck a finger in and brought it up to my mouth and licked it. I bent down and finished pulling his pants off and then dropped to my knees and crawled the few feet to his manhood. Nothing in the world gets a man more excited than a woman inching her way to his cock and balls on her knees. Nothing!

I let my breasts brush against his thighs as I crawl closer, outstretching my arms ahead of me and rubbing his thighs and then his hips. Sometimes I'll make eye contact, sometimes I'll look intently at his cock and balls. I reach his privates and pull the head of his cock into my mouth without using my hands. I licked around the head, flicking my tongue across the underside a few times. With my hand I held his balls carefully, and with the other I reach up and caress his chest, pinching his nipples now and then.

I start to suck him even harder, pulling his cock deeper into my throat. I sucked, allowing my throat to do some of the hard work, swallowing a little sometimes so my throat would massage his cock as well as my tongue. As you do more of this, you'll teach yourself new tricks to cocksucking. Don't be afraid to try anything. He'll never say no. We all know that men are visual sexual animals, Let him see you doing it. Keep your hair back. Look at him. Let him see your tongue at work.

My lips pressed against the underside of his cock, looking up at him. I licked around the head of his cock. I started to suck again, working him into my throat, my head bobbing up and down as he touched against the back of my throat. I didn't pause. I just kept sucking and enjoying the feeling of working him up. He was getting close. I wanted him to come now. I had been teasing him for almost an hour. I kept stroking his balls never once letting them go. I took his cock in my right hand, starting to massage carefully with my fingertips. I worked him down into my throat again, massaging with my tongue sucking, swallowing. He gasped and pressed my head down, pulling me up slightly by the hair. It wasn't rough, just directive. He was showing me exactly what to do this time. I felt his grip on my hair tighten. I sucked even harder. As he came, he pulled my head down on his cock. I stroked him with the tip of my tongue. He shot his load deep into my mouth. I swallowed his cum with each spurt and when he finished I licked my lips like it was the most delicious thing I ever tasted.

I laid my head on his groin next to his cock and flicked my tongue at it a few times. That's just a visual thing for him. I got off the floor and laid on my side on the sofa, resting my head on his belly. I moved my fingers down between his thigh and balls and began to play with them as we watched TV. I'd pinch and pull every so often. I was in control. From here, I can restart a fuck session, I can fall asleep, watch TV, finger his butthole. You name it.

This was a medium length blow job. Longer ones involve playing with his balls and playing with ass. Shorter ones would be just dropping down in front of him to my knees, pulling down his zipped and sucking him off intensely for ten minutes. Never fails. No matter how long you do it for, do it often and he'll never stray.

I was in an arranged marriage in England and I hated every minute of it. I argued with my parents for years, but in the end tradition won out and I gave in. It was a horrible marriage and I tried many times to leave. Finally I got a chance to get away with a relative to come to America for a couple weeks. One night, returning to our hotel in New York City, when we met a couple guys from Chicao who were in for the baseball game. They promised to tell us Brits about

sahara

baseball and after many, many drinks we went to their room and had sex, and more sex, and more sex. I can't tell you what a wonderful time that was and how great America is!

i came all the way from the UK to cheat

every man has a fantasy – me

I was really concerned that the world would end in December 2012 and I had only been with a couple guys and one was my husband. I decided in the summer that I would have sex with as many men as I could before the earth ended. So I madse up a huge fight with him and moved out to my own place. With a couple days I had a new guy in my place fucking my brains out. The next night was another dude, and the next another. I hope the end of the world comes more often.

CHEAT-O-METER

HAVE YOU CHEATED BEFORE -- YES

DID YOU LIKE CHEATING -- YES

WILL YOU CHEAT AGAIN -- YES

WILL YOU CHEAT WITH ME -- YES

I didn't want to get married at 18, but my family pressured me into it. Within a month I had left him and was living with another guy. That didn't last long either, so I got my own place and now I can have men whenever I want. I even have sex with my ex now that we've split.
